Dear Parents

We have reached our final week of term, in what has been a very eventful year.

Usually at this time of year I am thanking everyone for supporting us by coming along to all our Christmas events, unfortunately we have been unable to hold them this year but things are looking more promising for next year!

All our Covid-safe arrangements will stay in place when we return after Christmas as the Government are expecting a spike of cases in January, following the relaxation of the rules over Christmas. They have asked schools to remind parents not to send their children to school if they have a persistent cough, a temperature or a change to their sense of taste or smell and to arrange a test as soon as possible. Please also see below for the procedure to be followed if your child tests positive for Covid between when we break up and 23rd December.

May I take this opportunity to wish you all a very safe, happy and peaceful Christmas. We look forward to seeing you all in the New Year when school opens for children on Tuesday, 5th January 2021.

Mrs. S. Fisher
Headteacher

Track and Trace – please read

If your child develops Covid symptoms and subsequently tests positive on or before 23rd December please notify school on our office@moonsmoat.worcs.sch.uk email address immediately, so that we can follow the full track and trace procedure for any contacts within school. Many thanks.

Attendance

Well done to classes AM, ET, RM and MW who have all been attendance cup winners this half term. Keep up the good work next year!
