Dear Parents,

Following the delay to the easing of lockdown there will be no change to our current COVID-19 safety measures in and around school until further notice.

As you will already know, we have adjusted our transition arrangements for Reception to Year 3 taking this into account and revised transition activities for Year 4 are also already under way.

We are disappointed that the children can't have their usual transition activities but we will, of course, do our best to make their move up to the next year as smooth as possible.

Thank you for all your support,

Mrs. S. Fisher

Headteacher

School Meals

If your child is moving into Year 3 from September please remember that their entitlement to Universal Free School Meals finishes at the end of Year 2. If they would like school meals in Year 3 they can be ordered and paid for at £2.30 per day. Payment can be made on SchoolMoney. Alternatively, if you think your child may be entitled to income-based free school meals but you haven't applied for them yet please apply via the Worcestershire County Council website:

https://www.worcestershire.gov.uk/info/20062/schools/684/applying_for_free_school_meals

Order forms for next term's meals will be coming out soon – please return them to school by 14th July at the latest. Many thanks.

Milk

Milk for the next half term will be £7 (7 weeks at £1 per week). Please pay on SchoolMoney by 14th July if your child would like milk for the first week back in September. Thank you.

Health Week

Week commencing 12th July will be Health Week. Our theme will be 'The Olympics'. As well as lots of sporting activities the children will learn all about the Olympians and the history of the Olympics. Please send your child(ren) to school in sports clothes all week and make sure they have plenty to drink each day. Please also remember to apply sunscreen and send them in with a hat if it's sunny. Each child will be allocated to a house and given a house colour – on their sports day we would like them to wear something in that colour if possible. More details will follow soon. Unfortunately, we will not be able to invite parents to Sports Days this year.
