Dear Parents,

I hope you all had a lovely Easter and that the children are looking forward to the summer term.

Year 1 children have had a lovely morning learning all about The Great Fire of London workshop last week. They met the diarist Samuel Pepys and danced like the fire as it grew and spread through the city. It was a great introduction to their new topic.

Year 4 have now completed their Pedestrian Awareness training. Thank you very much to all the parents who helped with the observed walk, we're really grateful to you all for giving up your morning.

Thank you for all your support,

Mrs. S. Fisher
Headteacher

Trips and Visits

We have several trips and visits organised for the children this term. We always try to subsidise these as much as we can from school funds but without voluntary contributions from parents we will not be able to continue to offer these. Please contribute if you can, you can pay in instalments and we are happy to accept payments after the visit if this helps. Please talk to us in the office if you need extra time to pay.

The visit letters are now being sent out by email and you can give consent by responding to the email. Please remember to check your emails regularly!

School Lunches – School Food United

Most parents seem to have been able to register and book their children's meals now but please let us know if you would like to order and haven't managed to do it yet. The caterers have asked us to mention that if you order a packed lunch for your child this includes a piece of fruit and you are also able to choose one of the other desserts.

Hockey Club Year 4

We still have places in hockey club for Year 4 so please return the slip if your child would like a place. Thank you.

Platinum Jubilee Picnic

Please come and join us for our Platinum Jubilee Big Lunch on Friday, 27th May from 1.30—3.00pm. The children will entertain you from 1.30-2.00pm and will then join their family for a picnic from 2.00pm. This event is weather dependent so we will text you on
